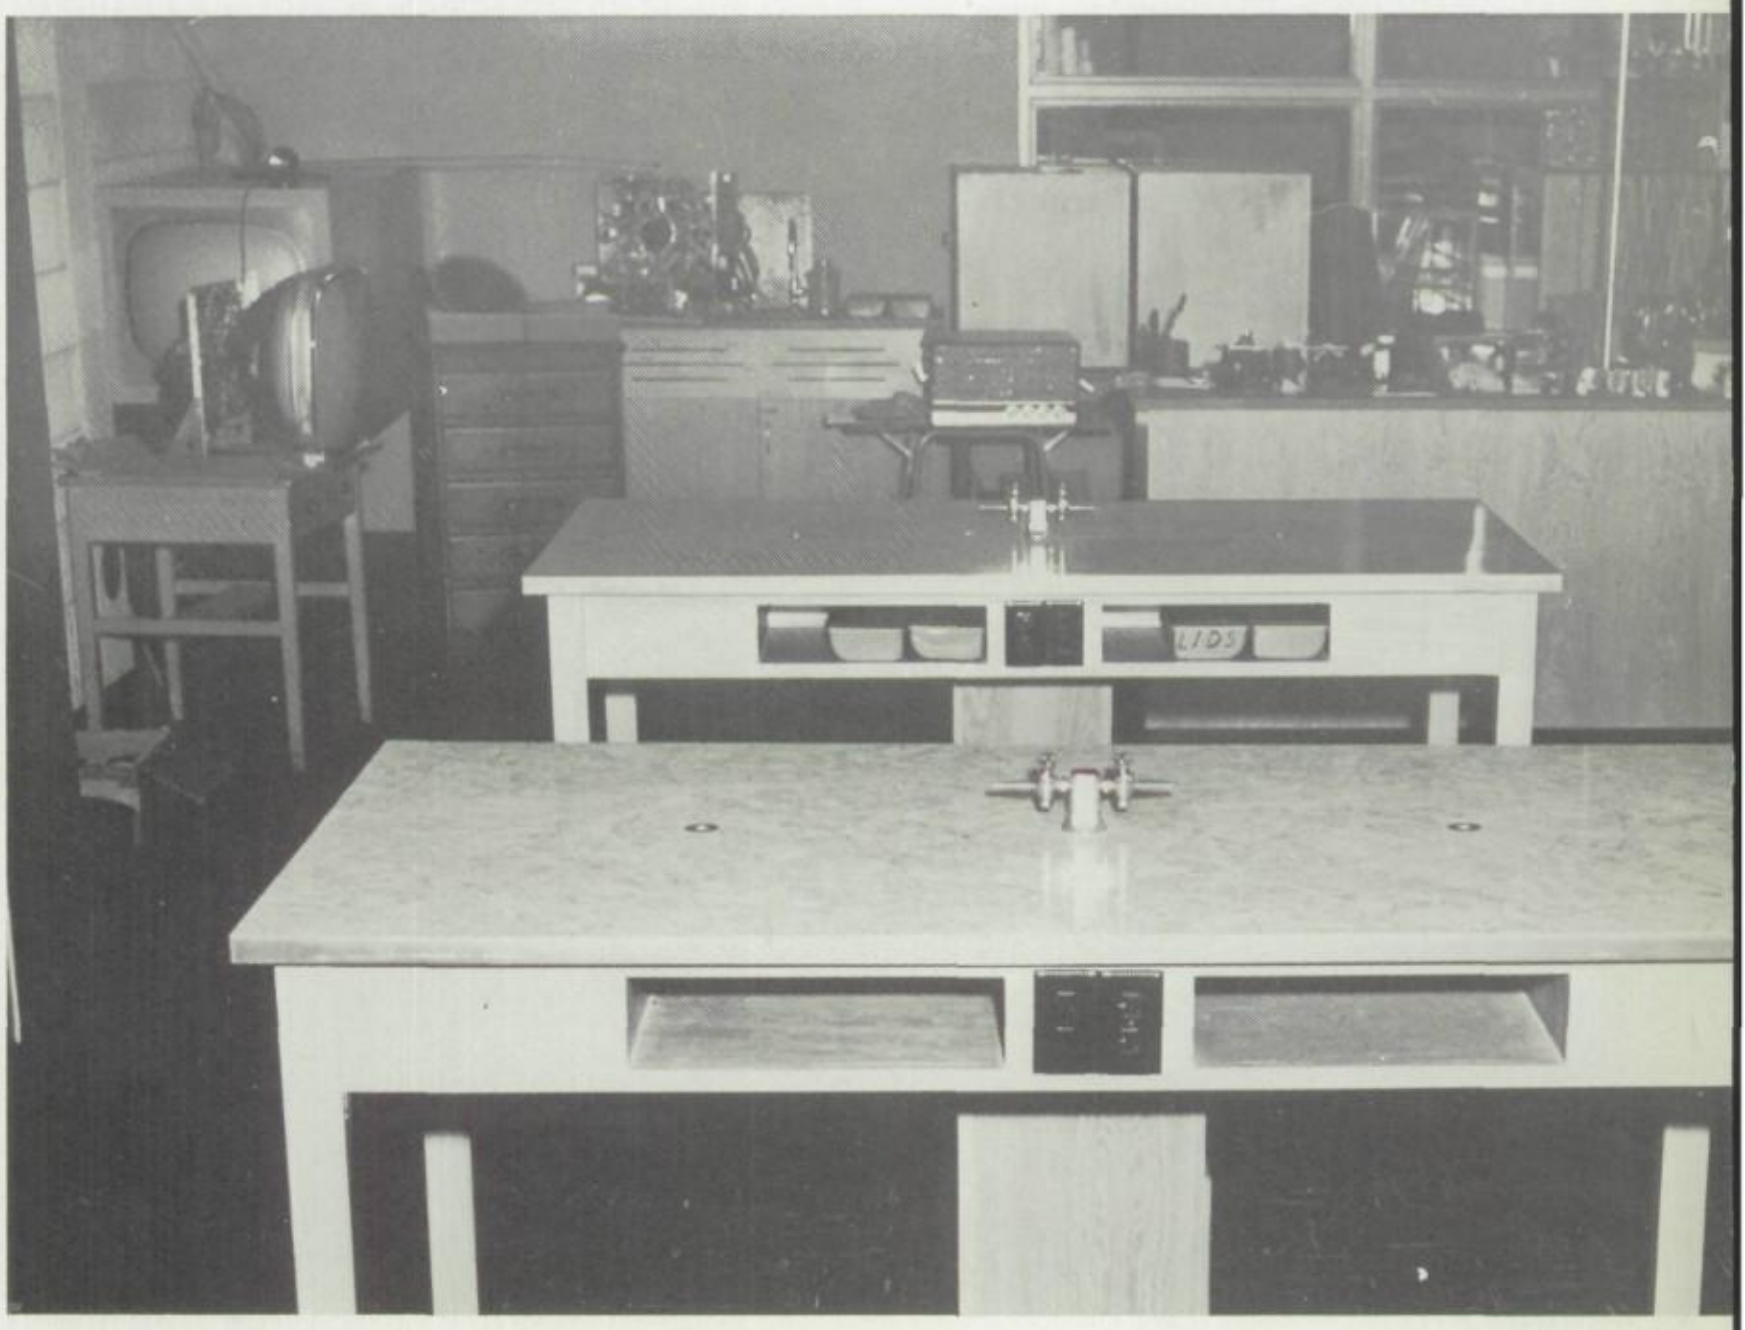
School= Building...



What is a school? Ask someone and you usually get a vague reply whose authority depends on the person asked. To some it is the Temple of Learning, to others a bother. Legislators find it a financial headache. A school is all of these things, of course, given the proper circumstances. But in the first place a school is simply a building dedicated to teaching and learning. It should contain all the necessary paraphernalia to achieve the goal of education. It should be situated on a pleasant and comfortable campus.

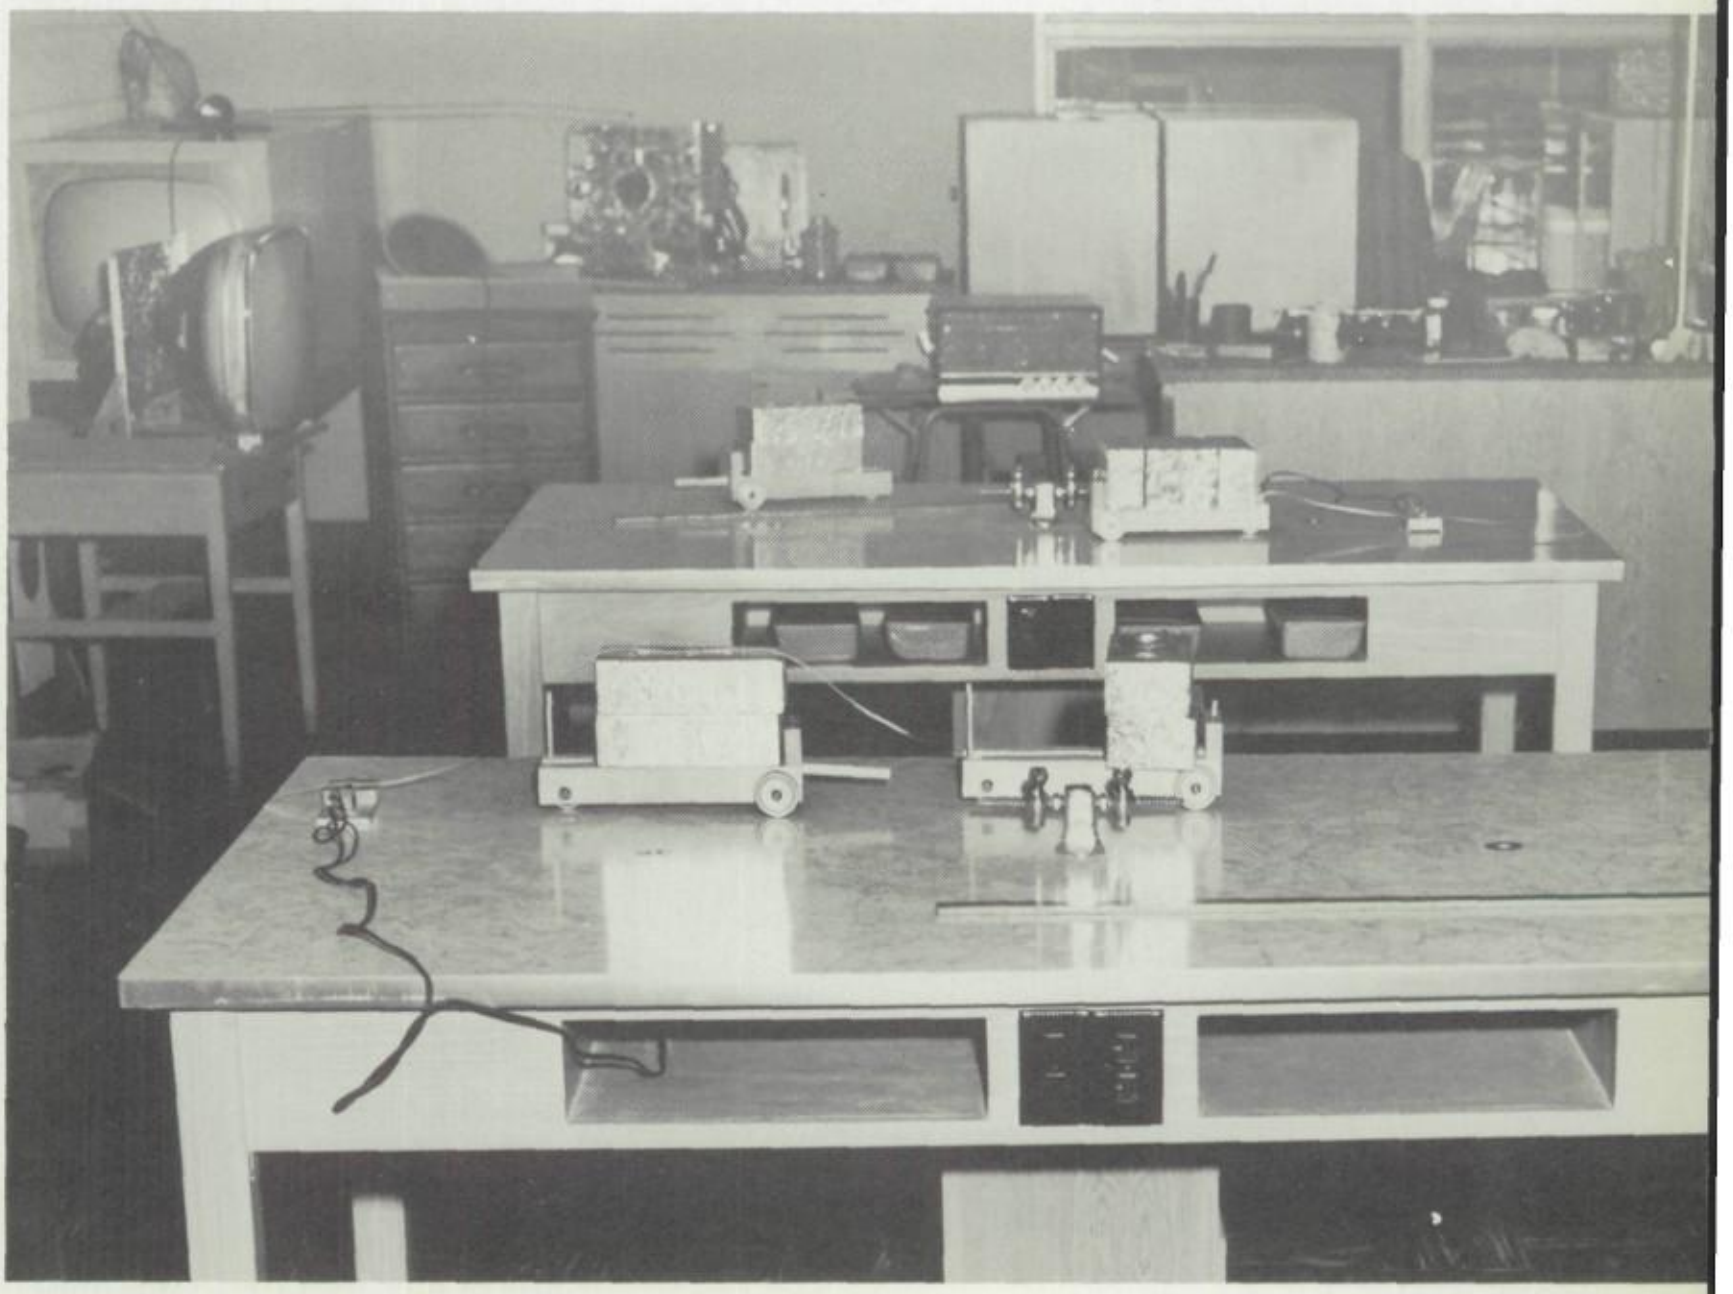
One thing a school should not be is judged on its appearance. Socrates, the great philosopher, conducted his school on the streets of Athens. Yet from it came Plato. Today's school, however, should have all the conveniences and facilities modernity can offer. Then it is much better prepared to challenge its goal.

A corridor, animated only by the moving clock.

The cafeteria awaiting hungry students.

The library deserted during classes.

The book store in full stock of needed supplies.



+ Tools . . .

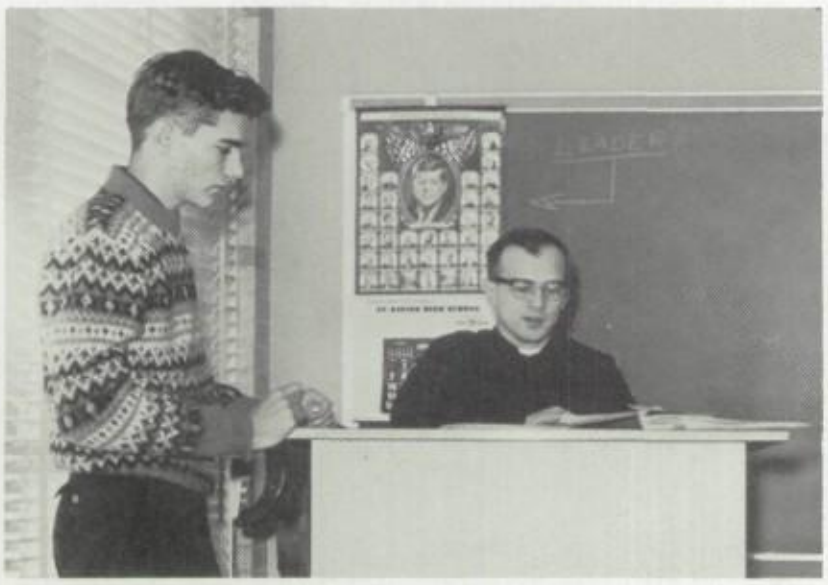
Part of the personality of a school is its equipment, the tools of learning. A school would be a hollow shell indeed if it had no metallic clang to wake it each morning, no bustle in the classrooms and laboratories to keep it active all day, no sports equipment to echo in the gym after the last bell has rung.

Everywhere are the tools of learning: slide rules on sale at the bookstore, the well-stocked shelves of the library, the comfortable chairs in a classroom. And in the gym is the athletic equipment — all the helmets, pads, bandages, all the footballs and basketballs that go to make up championship teams. In all of these places, the school provides the tools needed for education and enjoyment.

Uniforms await their owners.

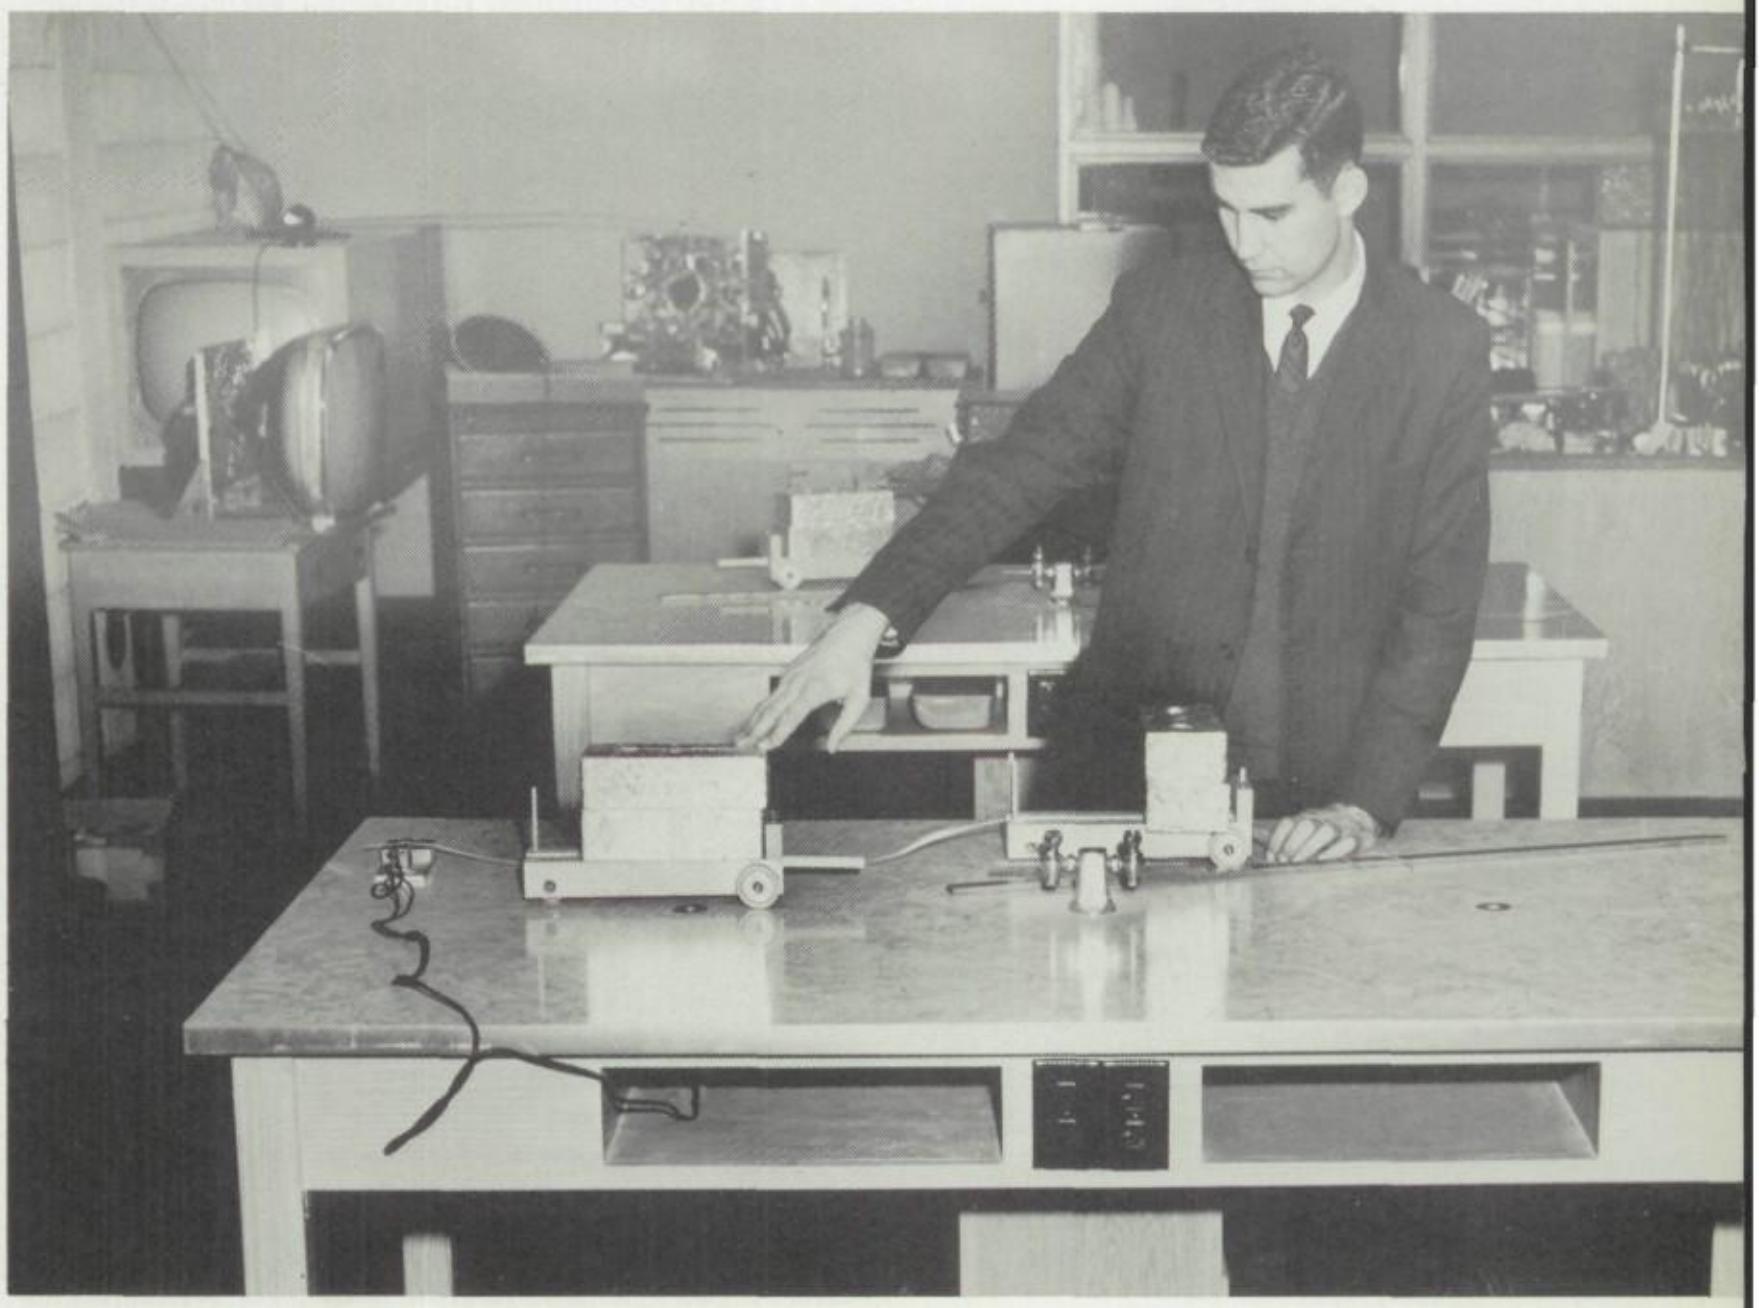
The band room between practice sessions.

The typewriter — one of the hardier tools of learning.



Tom Tenkman confers with Father Urmston.

Father Englum and Brother Riehle view Bomber progress.



Even at best, school supplies are passive instruments of learning. They are useless except in skilled hands. To vitalize these tools, to make instruments useful and books worthwhile is the task of the teachers.

Any school is fortunate to have many excellent teachers able to impart their knowledge to their students. Under teachers, and by their efforts, history becomes the present, Latin lives again, the symbols of algebra and the lines of geometry become intelligible. In Catholic schools priests make the Faith an important force in the lives of the student body. Student counsellors are available for consultation with each student.

But wherever they are — in a classroom, a library, a cafeteria — teachers stand always ready to help their students on the way to manhood.

+ Teachers . . .

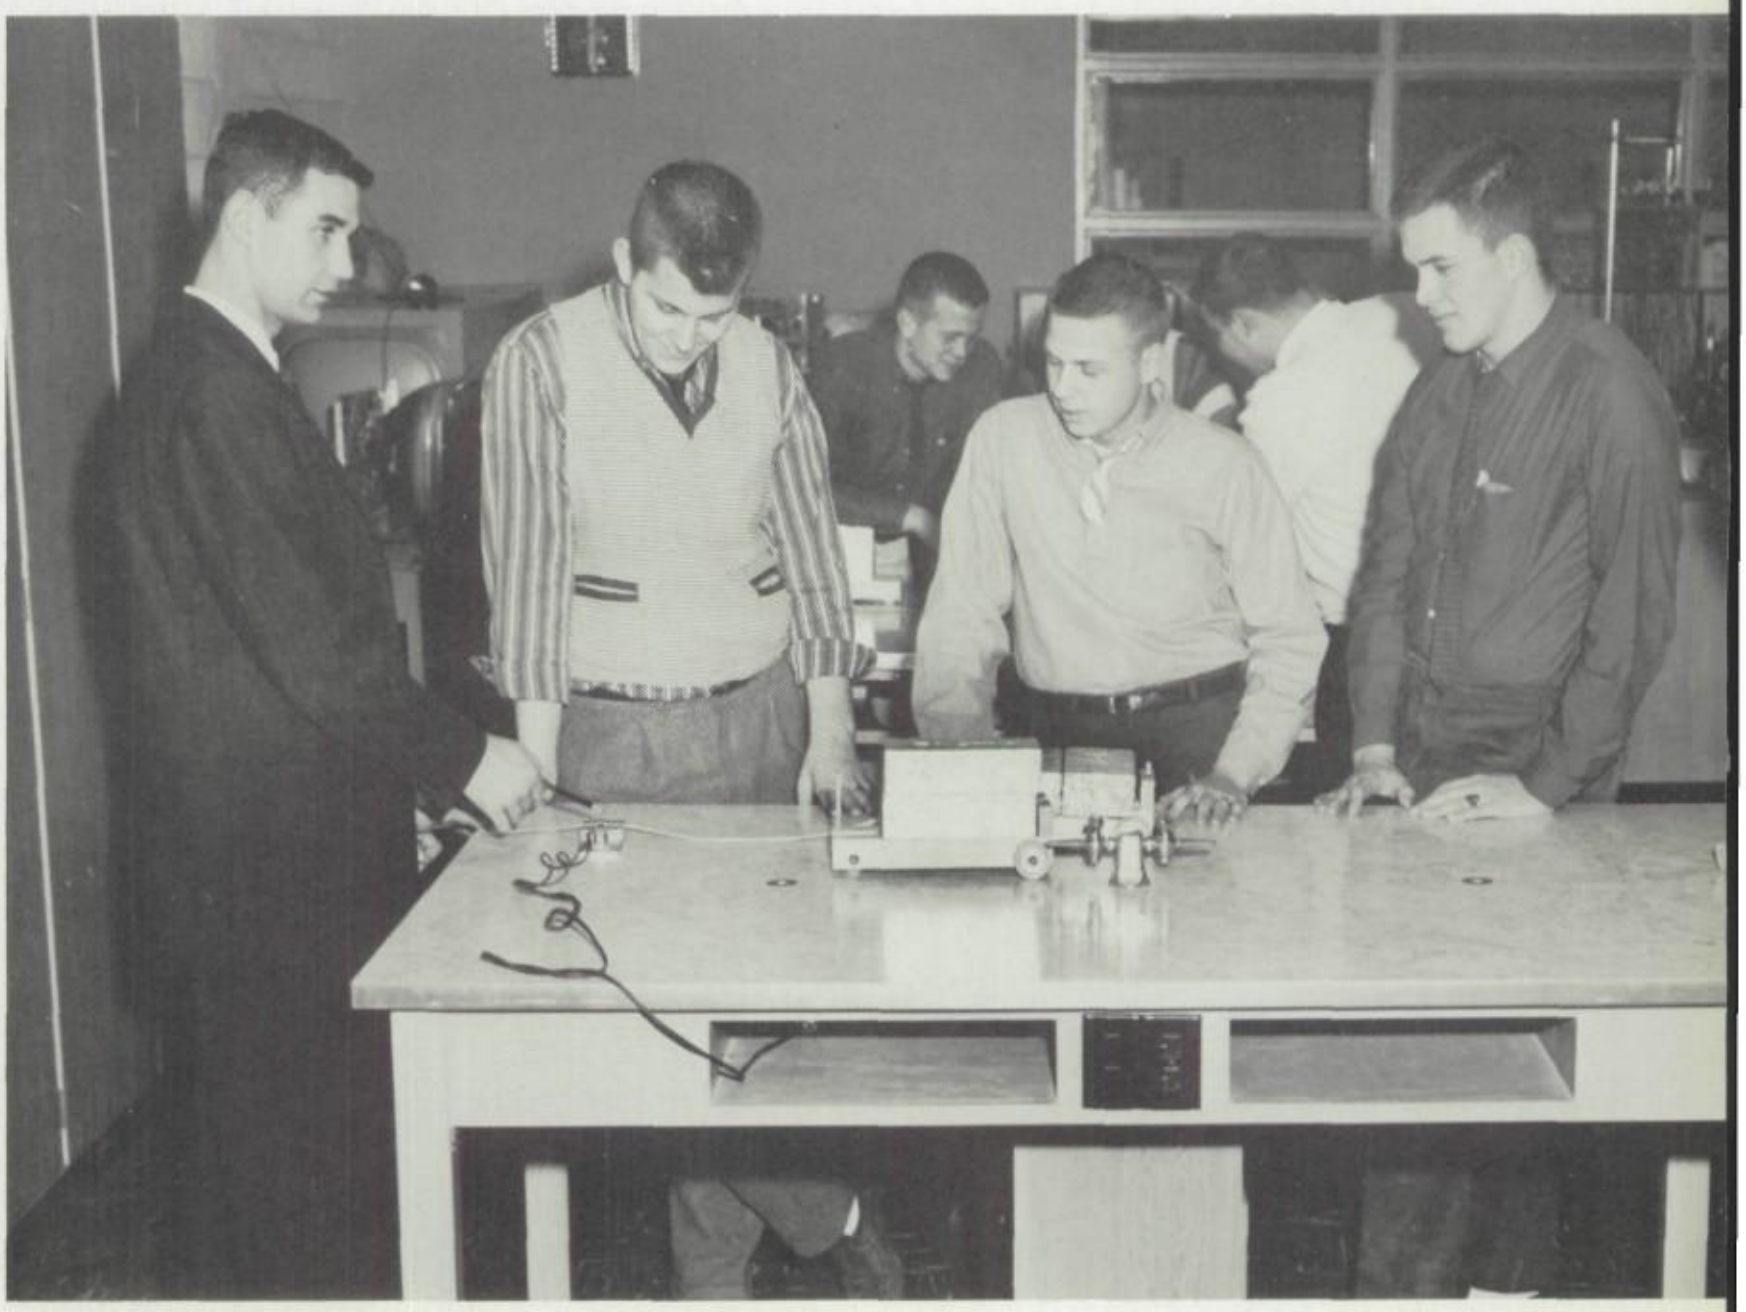
Chuck Eastlake explains the Sodality Way of Life to freshman candidates.



What is the ambition of every boy? To be a man. By the time he enters high school he is well on his way to achieving this goal. The school, its faculty, its facilities, stand ready to help. But maturity is no gift outright. It must be earned.

Seniors can look back over four years of work and effort to the days when they were freshmen. They can see the growth of their school and their growth with it. They once were boys worried about high school. Now they are men looking forward to college. Seniors can remember the semester examinations and the sock-hops, their difficulties with the first declension and their two proms.

In the final analysis a school is measured by its graduates, by the ideals and accomplishments of the men who claim it is their **alma mater.** Any school, such as Xavier, which has given men to the professions, which has given its share to the priesthood, which has consistently prepared alert minds for the rigors of college, has earned a record to be proud of.

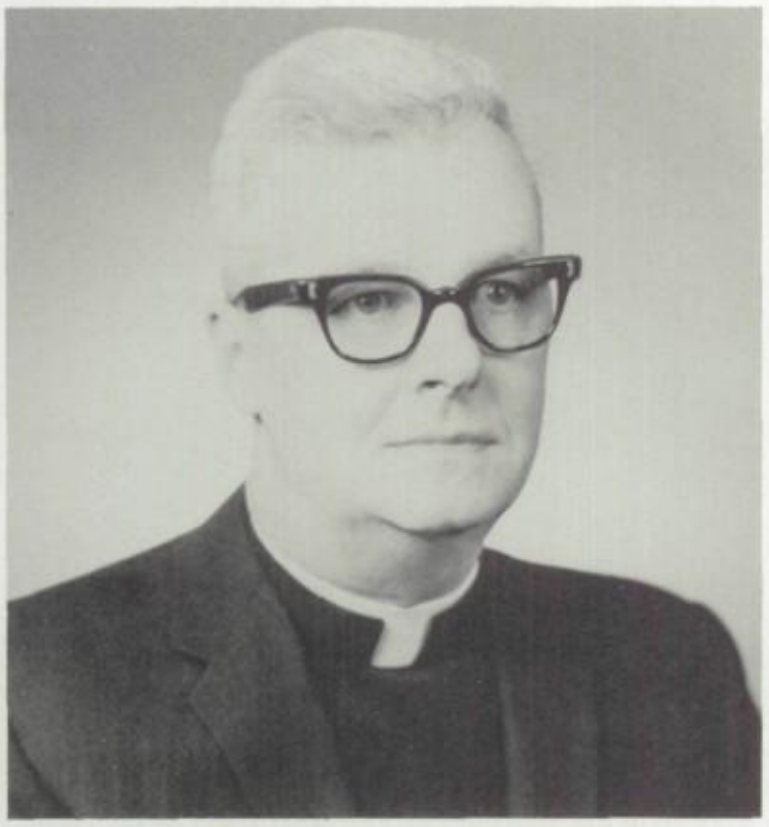
ACADEMICS

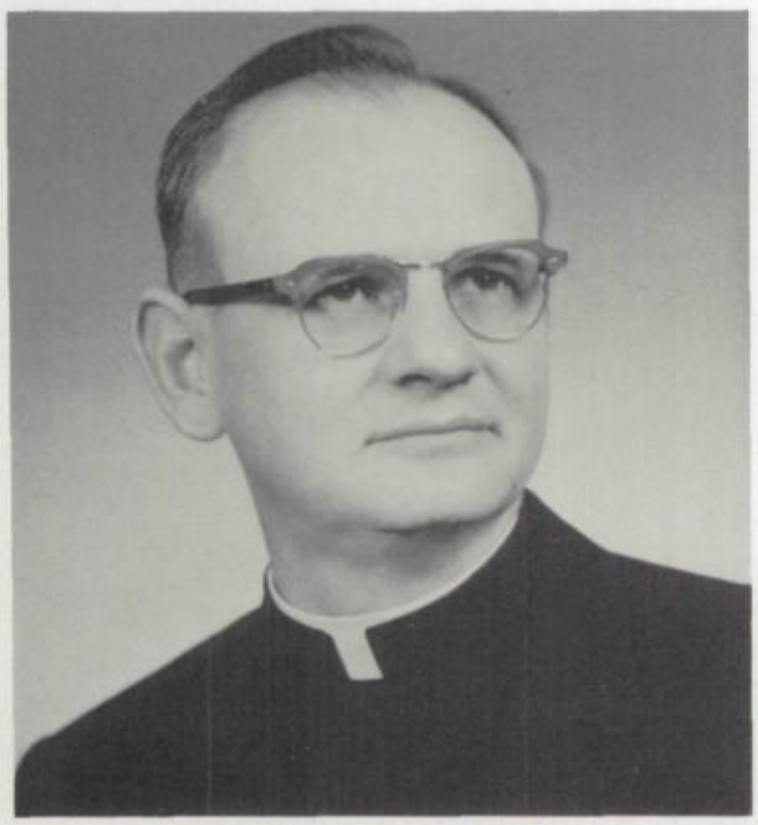


Very Rev. Thomas C. Vaughan, S.J.
President

The management of the high school and Jesuit household is the tiring responsibility of one man — Fr. Thomas Vaughan, S.J. As President, Fr. Vaughan must make all decisions concerning the high school; and as Rector, he is responsible for the spiritual and temporal welfare of all the Jesuits stationed at St. Xavier. Fr. Vaughan became Rector, succeeding Fr. John Benson, February 2, 1961. In two years he has compiled a distinguished record as administrator.

Rev. Robert G. Humbert, S.J.
Principal

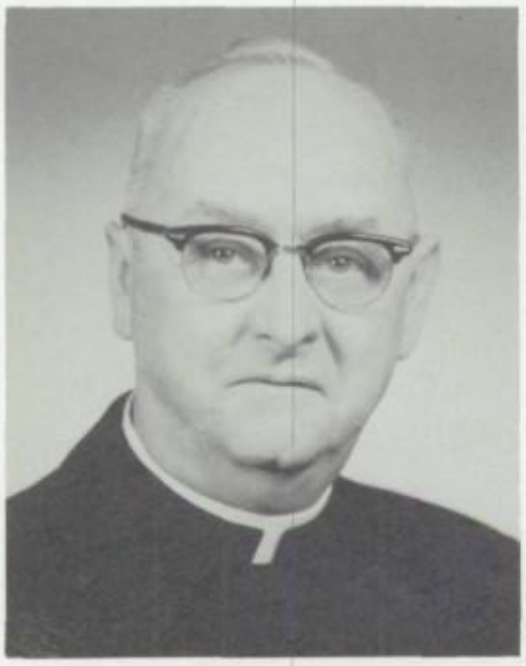
Fr. Humbert, S.J., became Principal last year after serving as Assistant Principal for four years. To him falls the task of supervising all studies and courses at St. Xavier. He must make numerous decisions concerning the student body, be the censor for the student publications. Fr. Humbert's cheerful personality and able administration have made him a popular and respected figure at St. Xaxier.



Rev. John J. Beckman, S.J.
Assistant Principal

Fr. Beckman, S.J., comes to St. Xavier from Loyola University of Chicago, where he was a dormitory prefect. Fr. Beckman's duties require him to act on matters of student discipline. He must be in his office from eight in the morning until five at night. Fr. Beckman, in his first year here, has proved himself a competent member of the administration.

ADMINISTRATION



FR. OWEN J. ENGLUM, S.J.
Superintendent of Buildings;
Treasurer; Athletic Moderator.

Managing a large Catholic boys school in Cincinnati is no easy task. It requires the talents of many behind-the-scenes-workers. Besides the President, Principal, and Assistant Principal, there are Mrs. Link and Mrs. Roeder, the registrars; Miss Dabbelt and Mrs. Laseke, secretaries; and Mr. Anthony Dorcon in charge of maintenance and purchasing.

BRO. FREDERICK J. NOVACEK, S.J.
Bursar; Book Store.

Mr. Dennedy gives some advice to his freshman basketball squad.

REV. ADRIAN F. MENCHEN, S.J.
Librarian

BRO. ELMER J. RIEHLE, S.J.
General Maintenance; Acolytes.

MR. JOHN J. SCHNEIDER
Band Director.

MR. ANTHONY J. DORCON
General Purchasing.

MISS MARY E. MURRAY

To Xavier students the Mass is a challenge, a responsibility, and a privilege. Through the efforts of the administration, the teaching staff, and the Sodality, daily Mass is the first responsibility of every student. Freshmen and Sophomores attend each morning, either singing a high Mass or reciting the prayers in common. Juniors and Seniors attend, at least, every other day, but many from both years hear Mass daily. Frequent communion is the norm for all four years. Daily communion is encouraged and practiced.

RELIGION

There was a time when education was identified by the "three R's." Catholic Schools add a fourth — Religion. Religion at Xavier is competently taught by Jesuits with years of teaching experience behind them. The textbooks they use have been carefully prepared in a series that makes the fundamentals easy for the student to grasp. In the classroom, students can take advantage both of the logic of their books and the experiences of their teachers.

Besides class lectures, there are also opportunities for the student to visit his counsellor — priests specially trained to work with young men and to help solve their problems.

MATHEMATICS

Math is one of the few subjects that follow a student throughout the course of his education. From grade school arithmetic to college calculus, the texts, tests, and teachers come in steady progression. Here at Xavier the mathematics department is one of the larger branches, with every opportunity given the students for success.

The math teachers, Jesuit and lay, constantly try to impress their students with the importance and usefulness of mathematics, from freshman algebra through plane geometry, up to trigonometry. For advanced students there are courses in caluculus.

Xavier is fortunate to have so many mathematics teachers who have given great parts of their lives to teaching in high school. They have the kind of dedication which makes for expertness.

Biology Club meeting causes various reactions on the members.

For years physics and chemistry were the mainstays of science at Xavier. Then last year a new science, biology, was introduced. Developments and improvements have been fast-coming in all fields.

For qualified sophomores and seniors a program in biology was begun last year. Fr. Middendorf takes his students through the strange, cellular life of plants, animals, and man. The well-equipped lab boasts fossils from the dinosaurs to man.

Chemistry is the traditional subject for juniors. Taught by Mr. Schlueter and Mr. Brennan, junior classes probe into the world of acids and salts and learn the abbreviated vocabulary of their science. In the laboratory students set about proving the formulae shown in their books.

Seniors take up the study of physics, under the tutelage of Mr. Toepker and Fr. Robinson. Vectors, scalars, heat capacities, and alpha particles — all become very important to the hopeful graduates.

LANGUAGE

By far the largest department at Xavier, the language department, strives to make students able communicators and, through the study of ancient and modern tongues, to make them understand fundamental principles of logical and straight thinking. Language, because of its importance, is a subject carried for all four years.

English is required freshman through senior years, during which time the students learn to write in an adult manner and are exposed to the best literature of England and America.

Latin is taken for two years. Freshmen learn the fundamentals, and sophomores follow Caesar through Gaul. In the junior year, the student may continue with Latin or he may drop it for French or Spanish. Advanced students take Greek in their junior and senior years.

That Xavier students place high in interscholastic language competitions is ample proof of the ability of both students and teachers.

"Now where have I heard that story before?"

To study the past is to build a sounder future. Such is the motto of freshman and sophomore history classes, where students learn the history of the world and their nation.

Freshman history deals with the development of culture and civilization throughout the world; of wars that terminated some civilizations and made others great; of religion and its significance in the affairs of the world.

Sophomores learn the details of their country's development: its break from England and its progress as a free nation. Emphasis is placed on the responsibilities of citizens of a free nation to the world. The Civil War and the two world wars are explained in the light of their moral, political, and economic significance.

Teachers in the history department are careful to choose textbooks which view history in the proper perspective and to assign extra reading that adds new and wider dimensions to the subject.

"In other words, your're jugged."

SENIOR SODALITY

"Why did God create us?" This question was originally posed to us when we were in the first year of grammar school. At that time the Sisters had us memorize the answer: "To know, love, and serve God in this world and to be with Him in heaven thereafter." The goal of the Sodality is to help us to live out the answer to this most fundamental question. The Sodality offers the means to make saints of ourselves, and also to help others to become saints. This "means" is an established way of life. It is more than practicing an ideal at meetings and activities, it is a full time projects.

The Senior Sodality at St. Xavier consists of approximately fifty-five members under the direction of Prefect Bill O'Brien and Moderator Mr. Marotta, S.J. The major project of the seniors is the instruction of the freshmen probationists in the goal, means, and rules of the Sodality. The seniors have discussion groups to study different aspects of Communism, its advances, and its weaknesses. Many other committees have been instituted among the Senior Sodalists, all to help them "to know, love and serve God in this world and to be with Him in heaven thereafter."

JUNIOR SODALITY

The Junior Sodality, ably directed by Mr. Schwarz S.J., has participated in numerous activities ranging from days of recollection to delivery of food baskets to the poor at Christmas. Members built Advent wreaths for the school and for the County Courthouse, served as delegates to the newly-founded Catholic High School Confederation and tagged Christmas trees with stickers for the Christ-in-Christmas Campaign. The date committee and the Winton Terrace Project were two of the apostolates in which the Junior Sodalists took part this year.

SOPHOMORE SODALITY

Every Monday night the members of the Sophomore Sodality meet in the lounge and hold discussions on various topics which included: The Temptations of the Devil, Mary Our Mother, and Christ, as a Friend.

This year under the direction of the moderator, Mr. Hagerty, S.J., and Mr. Toepker, a new plan concerning apostolates was put into action. Due to the large membership it was decided to divide the Sodalists into groups of twelve and to have each group plan its own apostolate. We feel certain that by carrying out these activities the sophomores have fulfilled the Sodality requirements.

Back Row: Jim Schwab, Ed Packer, Ed Vondohre, Bob Lemkuhl, Dave Jorling, Tom Gardner, Steve Young, Paul Kaiser, Steve Scheel. **Third Row:** Dennis Crane, Jim Niemes, Ron Lamb, George Zeufle, Ed Gutfreund, Joe Klopp, Mike Kern, Terry Torbeck, Mike McCafferty. **Second Row:** Jim Cavanaugh, Paul Kirley, Craig Maue, Tom Fair, Tom Harig, Dan Nordloh, Greg Kitchner, Branimir Sikic, Jim Simcoe. **Front Row:** Frank Smith, Tim Schilling, Gary Dinan, Mark Silbersack, Norbert Mechley, Bob Thesing, Henry Saalwaechter, Tom Harbrecht, Jerry Overbeck, Tom Eversmann, Mike Regan.

X-RAY

September ushers in a series of hectic months for the **X-Ray** staff. Theirs is the task of producing a publication that is representative of the school's activities, a lasting memento of one more milestone in each student's life, a means of introducing the families and frinds of Xavier to more of the school curricula than can be gleaned from the familiar homework pattern.

From the moment the theme of the year book was conceived until the last galley-proof was checked and returned to the printer, there was little or no time for the staffs of Editor Bob Woelfel and Business Editor Tony Collins to relax. Guided by their moderator, Mr. Stagaman, S,J., the plans for the development of the theme were worked out and assignments given. Then the typewriters began their chatter; the cameras clicked; and, as the subscriptions poured in, the bell on the cash register rang. One deadline after another reared its ugly head and disappeared into the past as somehow each section was completed; but another task still remained — proof reading, the nemesis of all journalists. Through the sleet and snow of winter into the balmy days of spring, the crew kept at it until, at long last, the task was done and they relaxed with that warm feeling of accomplishment.

PREP

Forty-eight boys make up the staff of the **Prep.** The school paper, headed by Editor Tim Hickey and moderator Mr. Anderson, S.J., struggles each month to publish the news as it happens in and around Xavier. Once again this year the **Prep** is coming out in magazine form, the same format that won several awards last year.

Special attention has been given this year to freshmen members. The editors and older staff writers have offered after-school classes in the various styles of journalism common to magazines.

The **Prep** itself, while retaining the popular features of the magazine style, has gone on to initiate many modifications, such as the College Campus feature.

As in all activities, the students make the **Prep.** They plan its pages, and, of course, make the news.

APOSTLESHIP OF PRAYER

Standing uppermost among the purposes of the Jesuit educational system is the spiritual development and advancement of every student in it. This is achieved through various organizations; one such is the Apostleship of Prayer. The Apostleship of Prayer encompasses a large number of students who promote sanctity through devotion to the Sacred Heart. Supplementing this devotion is their promise to promote the glory of God and the salvation of all men by offering to God every action of their lives through the Morning Offering. Together with their able moderators, Father Graf and Mr. Anderson, the members hope to instill in all students a sincere devotion to the Sacred Heart and the Apostleship way of life.

C.S.M.C.

The Catholic Students' Mission Crusade is the driving force behind the weekly collection for the missions in Patna, India. Aid to Jesuit missions and anti-Communism are two of the important projects promoted by the CSMC. Father Duffy, S.J., the current moderator, is constantly expanding the organization's charitable activities.

ACOLYTES

The Acolytes is a student group which was organized to provide trained servers to assist the priests at daily Mass. Even so, the servers are the ones who profit most from this experience. By serving at Mass they are brought closer to God than would ordinarily be possible. The Acolytes serve the student Masses at 8:10 and 11:40 daily and also serve Benediction on First Fridays.

STUDENT COUNCIL

The Student Council is an exclusive organization of class presidents and activity leaders which is designed to promote the school activities. With both Fr. Steenken, S.J., and Mr. Brezine, S.J., to assist, the Student Council evaluated problems ranging from the brief lunch periods to the senior and junior proms.

Among the more notable efforts of the Council was the December Drive. Many of the representatives to the Council were responsible for organizing this unparalleled attempt to increase school spirit. Besides bolstering the annual canned food drive and tax stamp collection of the Sodality, the December Drive sparked the first bonfire rally at the new high school.

The Council also revived the defunct Monogram Club — a measure to assure ushers at basketball games. Through the initiative and hard work of Mr. Brezine and a band of seniors, the Council sponsored many record hops and dances.

Debating is an activity which seeks to develop platform presence, confidence, and speaking ability. Mr. Lackamp is moderator of the Debate Club and principally responsible for the junior - senior debaters and the legendary Big Four. Mr. Sikora is in charge of the freshmen and sophomores, organized in the Campion Club. This group is for novice speakers who want to learn the fundamentals of debating.

Juniors and seniors answer the call to meetings of the Bellarmine Club, where they meet each other and rival teams in competition. Members of both clubs, however, have the opportunity to engage in interscholastic debates and speech tournaments.

The Big Four were especially active this year, meeting all comers in debates in Cincinnati, Dayton and Columbus. The big event of the year was the state finals held in Columbus.

The debaters, although proud of their record, are not content to sit on their laurals. Already they are preparing for next year's work.

RED CROSS

Although St. Xavier has many organizations which have various spiritual apostolates, the Red Cross is one activity which is an apostolate. The corporal work of mercy, to visit the sick, is the primary aim of the Red Cross at Xavier. Every two weeks over thirty students take part in this program of visiting patients at Good Samaritan hospital.

Under the direction of Mr. Disselhorst, S.J., the Red Cross has expanded this year by adding more students to the hospital program and by sending delegates to the monthly Red Cross Chapter meetings in which Red Cross organizations of other high schools participate.

The Archaeology Club, an interesting activity for any student, is best known for the interesting field trips it undertakes. Under Fr. Garvey's direction, the fossil hunters made expeditions to Hocking Valley, Miami Fort, Fort Hill, Ft. Ancient, and the novitiate farm at Milford. Fr. Garvey's direction and talks help to make the Archaeology Club an excellent extracurricular activity.

BIOLOGY CLUB

Though only in its first year at Xavier, the Biology Club has accomplished a great deal. It has already completed a book on aquatic life in the Gulf of Mexico, **Marine Life In The Gulf of Mexico,** to rank it with the **Prep** and **X-Ray** as the only organizations in school which have published a major work. Although the club hasn't taken any field trips to the Gulf, it has taken some in the Cincinnati area, gathering material for Fr. Middendorf's lab.

RETREATS

Meditation is a major part of the annual retreats.

The life of a St. Xavier student has always centered around the spiritual activities. So quite naturally the scholastic year began with each student offering himself along with his efforts during the ensuing year to God in the traditional Mass of the Holy Spirit. This year the Mass of the Holy Spirit was celebrated in the newly-decorated lounge to accommodate the entire enrollment at one time.

Every day of the year each St. Xavier student is afforded an opportunity to hear Mass, receive Holy Communion, and go to Confession. Freshmen and sophomores attend Mass at 8:10 in the morning while seniors and juniors attend at 11:40. Confessors are always on hand during the student Masses in addition to the noon period and after school.

Retreats have long been the highlight of the spiritual activities at St. Xavier, and this year was no exception. Freshmen and sophomores attended an open retreat here at school during the semester break. Seniors and juniors, however, have the opportunity to make a closed retreat at the Loyola Retreat House in Milford.

BAND

Everyone knows that in order for something to be accomplished much work and effort must be put into it. The St. Xavier band is no exception to this rule. Practicing on a regular schedule of three nights weekly, the band has achieved the quality of a well-trained orchestra. This is possible only because of the much time and tireless effort which the band director, Mr. John Schneider, puts into the organization. Every show at a football game involves lengthy time for sketching diagrams and writing out song arrangements for each instrument.

Because of such effort and time on the part of Mr. Schneider, Mr. O'Halloran the faculty moderator, and the student members, the band has been able to put on professional performances at football games.

On March 11, the St. Xavier band put away the cymbals and spats and played as an orchestra at the annual Musicade. Among the many fine arrangements played were: "Highlights from the Sound of Music," and "Exodus."

Mr. Schneider and his troubadours make their final performance of the school year on graduation night, June 7, rounding out an entire school year of regular practices and first-rate performances.

Working hard throughout the year to keep the **Prep** and **X-Ray** supplied with pictures, the Camera Club photographers under Mr. Disselhorst are a familiar and welcome sight around St. X.

"Now this won't do!"

POSTER CLUB

Throughout the entire school year the Poster Club acquaints each student with those activities which are to occur in the near future. From football season to the proms, the artistic talents of its members combined with the able guidance of Mr. Schwarz have made the Poster Club an outstanding media of information to the student body.

CHOIR AND GLEE CLUB

The purpose of the Choir and Glee Club is to give students the opportunity to use their voices to give honor and glory to God. The Choir and Glee Club sang at the Solemn Mass of the Holy Spirit on September 15. During the Christmas holidays, the group sang carols at Good Samaritan Hospital, Cincinnati General Hospital, and St. Joseph's Home for the Aged.

When greenbacks flash and the lounge echoes to the cry of "All bets down" it can mean only one thing: Frontier Night is in full swing. This is only one of the events the Dads' Club, under the direction of Fr. Robinson with Mr. Schloemer as president, sponsors for the benefit of the school.

The Moms' Club, with Fr. Wieber as moderator and Mrs. Mooney as president, helps out with Frontier Night and also has several card parties each year to help furnish the lounge.

The meetings of these clubs give the members a chance to meet their sons' teachers and the parents of other Xavier students. They hold several combined meetings and each year join forces to sponsor dances.

St. Xavier is lucky indeed to have two organizations as fine as these giving their all to help supply equipment for the boys and the school.

Trips to the Art Museum and symphonies under the direction of Mr. O'Halloran always hold the attention of all who attend. The Fine Arts Club is now an established activity at St. Xavier.

CLASSICAL CLUB

One of the "intellectual" groups at Xavier, the Classical Club, studies, as the name denotes, the ancient cultures of Greece and Rome. Moderated by Father Walsh, the club meets monthly to discuss current affairs and classical philosophies. Not to ignore Religion, the members also study the truths of their own Catholic faith.

ALUMNI

Business runs high selling bricks from the old school.

The St. Xavier High School Alumni Association started off the year with the 1961 Homecoming on November 5. The observance began with a Low Mass celebrated by Rev. Robert G. Humbert, S.J., in the Students' Chapel. During the ensuing breakfast, Very Reverend Thomas C. Vaughan, S.J., the new school president, addressed the alumni. Following the breakfast, the Sixth Annual Insignis Award was bestowed upon Harry G. Gilligan. The day ended with the Alumni attending the Xavier-Elder game. On December 27, the Alumni Association held its annual **Dance La Vie Guerre** with the largest crowd on hand. As spring rolled around, the **Faire du Beau** fashion show was held in the Rainbow Room. Another event popular with the St. X graduates was the Alum-Nite held on February 9. After the basketball game that night, the alumni retired to the school cafeteria to join in the festivities of the evening.

Homecoming is opened with Mass.

Harry J. Gilligan is presented the Insignis Award by Fr. Vaughan.

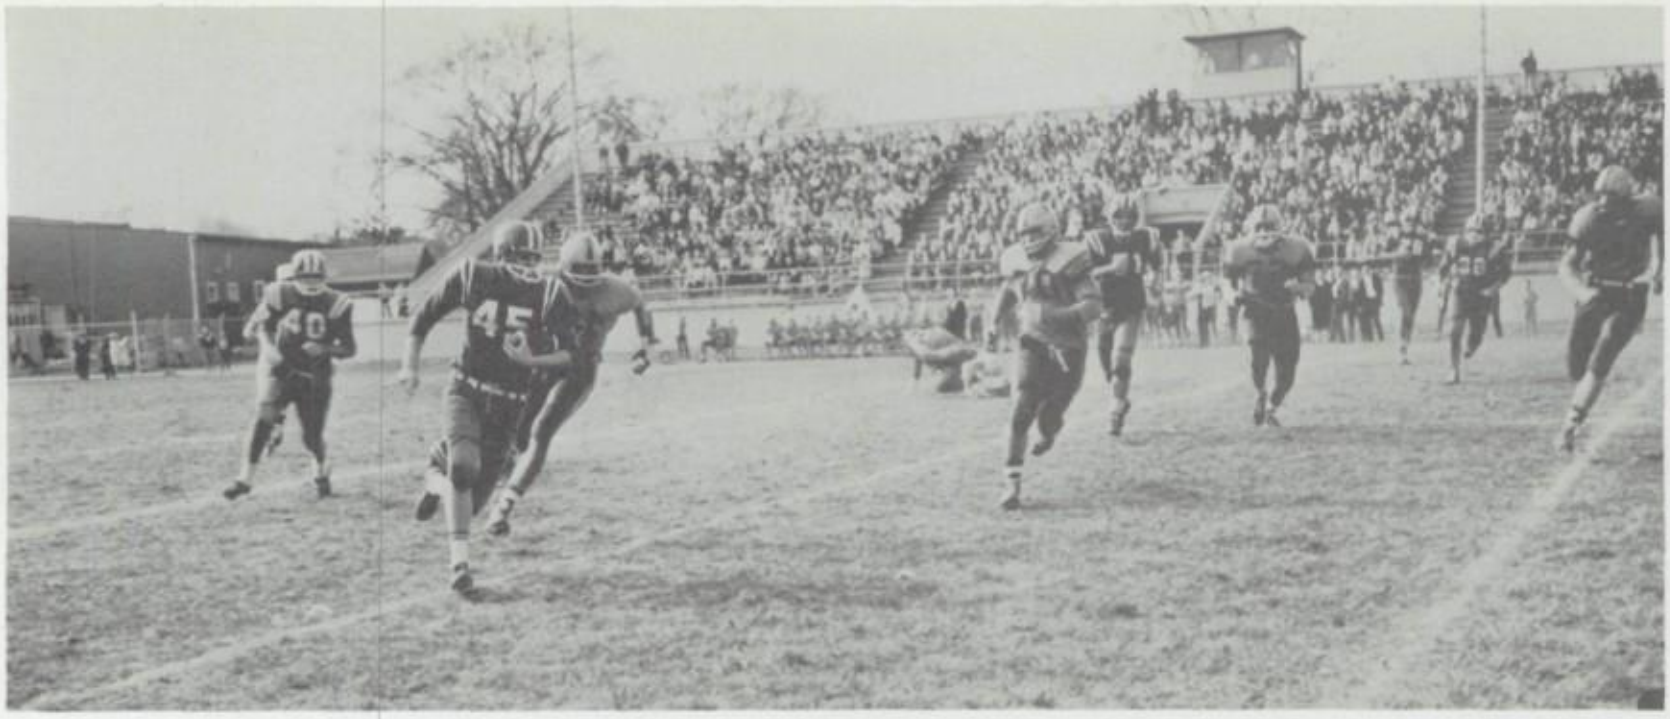
ST. XAVIER VS. CENTRAL

St. Xavier's Bombers opened the 1961 football season with a 12-0 victory over the Central Knights, the eventual Public High School League Champions. Playing without the services of John Uhl and Mike Niewodowski, St. X struck early on a first period score. Bill Baumann pounced on an enemy fumble on the Central 40; eight plays later Bill Clark sent the Bombers into the lead with a five yard touchdown jaunt over right tackle. St. X wasted no time in adding to their lead as the second half cummenced. With only 1:07 gone in the third period, Jay Schloemer found a hole over left tackle and raced 69 yards for the second Bomber score. Then the defense took over. The deepest Central penetration was the St. X 48 yard line.



Uhl breaks away during the Purcell game.

ST. XAVIER VS. WITHROW

Playing without the services of halfback-punter Jay Schloemer, St. Xavier dropped its first game of the season to the inspired Withrow Tigers, 20-14. St. X took the opening kickoff and marched 71 yards in 15 plays with John Uhl sneaking over from the one. Bill Clark's run for conversion gave the Blue and White an early 8-0 lead. Following a poor 17 yard Withrow punt that sailed out of bounds on the Tiger 35, the Bombers moved to their second score. Mike Fischer scored the TD that gave St. Xavier a 14-6 halftime margin. But disaster struck late in the third period as the Tiger attack began to click. Fullback Charles Green and Quarterback Dick Ferone accounted for 63 more yards than the entire St. X backfield as the Tigers piled up two second half touchdowns en route to the victory.

ST. X VS. WESTERN HILLS

St. Xavier unleashed its biggest offensive thrust in the last half-decade as the Bombers clobbered the flu-ridden Western Hills Mustangs, 41-0. The Blue and White completely dominated the statistics, running up 389 yards to the loser's 67. St. X piled up twenty first downs, while holding the Mustangs to a mere two. Mike Fischer and Bill Clark accounted for two touchdowns apiece, and quarterback Bill Bien skirted end for another. When the Mustangs inadvertently left the kickoff roll into the end zone, guard Tom Rave picked up six points when he fell on the free ball. Tom "The Toe" Eagen split the uprights with the first successful conversion of his career. So complete was the Bombers' control of the contest that not once were they forced to punt. The win brought their season record above the .500 mark as they registered their second win of the campaign.

ST. X VS. OAK HILLS

The Bombers reeled off their third win of the season over the outclassed Highlanders of Oak Hills, whipping them 36-6. Jay Schloemer single-handedly accounted for the Bombers' first touchdown, carrying 35 yards in the drive before going over from the five. From this point the outcome was never in doubt. Schloemer scored twice more, with both scores coming on passes from Bill Bien. The Bombers scored again when John Uhl climaxed a 23 yard drive with a sneak from the one. The final St. X tally came with only thirty-two seconds remaining in the game when halfback Steve Klekamp skirted left end on a 61 yard touchdown gallop. The Bombers again dominated the play, out-rushing Oak Hills 234-91.

ST. XAVIER VS. COVINGTON HOLMES

The Bombers journeyed to Kentucky for their fourth win of the season as they whipped Covington Holmes, 27-7. The win marked the first St. Xavier victory in the Commonwealth in three years. St. X took the opening kickoff, and five plays later the Bombers led 7-0. Bill Clark dove over from the one after Jay Schloemer's 60 yard run. The Bombers' interior offensive line gave its best performance of the season in the second half as St. X added three more TDs to its halftime count. Neal Gardner, Ed VonderBrink, Paul Laemmle, Bob Selke, and Mike Niewodowski started Jay Schloemer on repeated long runs. Bill Clark scored his second and third touchdowns of the night on 43 and 15 yard runs. The final Bomber tally came with twenty-three seconds remaining in the game when Mike Fischer picked off a Bulldog pass and scampered 33 yards.

ST. XAVIER VS. McNICHOLAS

The Bombers' turn toward the Catholic part of the schedule proved to be disappointing as they dropped their second game of the season to McNicholas, 34-14. The Rockets struck quickly, scoring on two first period pass plays. An aeriel to Bill Sander out of punt formation was good for 37 yards and the first score. The second one came late in the period when Don Sander spotted Bob Copfer alone in the end zone. Seven plays later St. X crossed the goal when John Uhl teamed with end Steve North on a 40 yard TD pass-run play. Sophomore Bill Bien passed to halfback Mike Maguire as the Bombers chalked up their second score and tied the count at half-time, 14-14. In the second half it was all McNicholas. With fullback Bill "The Horse" Sander carrying 14 times for 114 yards, McNicholas ran the battered Bombers into the ground. The farthest Bomber penetration in the final two stanzas was the Rocket 36. The loss brought the season mark to four wins and two defeats as the Bombers began preparation for the rugged G.C.L. competition ahead.

ST. XAVIER VS. ROGER BACON

Roger Bacon's mighty Spartans found the Bombers a little more rugged than they had anticipated. The eventual Greater Cincinnati League Champions, Bacon found it necessary to employ the first unit until late in the final period. A fumble and an intercepted pass ignited the Spartans' two first half touchdown drives. Tom Hobing and Ron Sexton climaxed drives of 45 and 82 yards with short line plunges to give Bacon a 14-0 bulge. With four minutes remaining in the half, St. X began its only touchdown drive. Bill Bien passed for 57 yards in the TD march, completing five out of six. Bien, who had the press box buzzing at intermission, crossed the goal line on an end sweep to close the gap to eight points at halftime, 14-6. A blocked punt gave the Spartans the ball on the Bomber 38; six plays later Bacon led 22-6. The game's final tally came late in the final stanza when Pat Case hit Jim Teed with an eight yard pass giving the Spartans a 28-6 victory.

Schloemer fends off a Central player as he heads for the goal.

ST. XAVIER VS. ELDER

Elder's Panthers, ranked in the early part of the season as the state's top prep football team, got all they could handle from an inspired St. X eleven. The 6-0 loss to the Panthers was by far the Bombers' most impressive performance of the campaign. St. X took the opening kick-off and moved to the Elder 37, only to have the drive halted by a fumble. Two plays later Elder halfback, Jim Datillo, broke off right tackle and scampered untouched for 49 yards and the game's only score. The remainder of the contest proved to be a defensive struggle. Neal Gardner, Frank Posinski, and Gerry Hyland, who comprose the Bomber's interior wall, halted the much-praised Elder attack, stopping drives on the Bombers' 10 and 24 yard lines. Late in the third period the Bomber offense began to click. St. X marched from its own 32 to the Elder 19, where the drive stalled and Elder took over. With less than two minutes left in the contest, St. X got one last chance when Dick Mutchler fell on a Panther fumble on the X 38 yard line. Bill Bien fired four straight complete passes, but the clock halted play with the ball on the Elder 39 yard line.

ST. XAVIER VS. PURCELL

Purcell's Cavaliers, displaying the awesome power that makes them one of the city's top schools year after year, outclassed the Bombers in the season's finale, 26-0. From the opening kickoff the outcome was never in doubt. The Cavaliers moved 80 yards in 10 plays with Walt Mainer carrying for the score from the 21 yard line. St. X quickly moved to the Purcell 26, but an intercepted pass halted the drive. Six plays later the score was 13-0 when Steve Schweitzer fired a 39 yard TD pass to Mainer. Midway in the second period St. X began to move again, but the drive stalled when the Cavalier defense dropped Bill Bien for a 16 yard loss back on the Purcell 33. Mainer picked up his third touchdown of the afternoon as he capped an 84 yard drive with an 11 yard end run. The deepest Bomber penetration in the second half was the Purcell 49 yard line. The Cavaliers dominated the statistics out-rushing the Bombers 385-74. The explosive Purcell attack rolled up a fantastic 496 yards in handing the Bombers their fifth loss of the campaign. Coach Ballaban pointed out, however, that the four wins registered by this season's Bombers is a "one hundred percent improvement for the St. X team which posted only two victories the year before."

As something called the "December Drive" embarked upon the task of rejuventating St. Xavier's school spirit, Dayton Chaminade's Eagles invaded the Queen City for their annual clash with the Bombers. Unperturbed by Roman senators, Summit girls, beatnicks, and a dragon, Chaminade, who eventually compiled a 22-2 slate **en route** to the regional finals, calmly took a thirteen point first quarter lead and coasted to a 73-51 victory. This loss was the first of five in the opening six games. After a 68-52 loss at Central, St. X returned to familiar surroundings to etch its first win, 61-48, over the Woodward Bulldogs, with Dave Heskamp netting 24 points. Taft, the Bombers' next foe, hit 48% from the field in recording a 79-53 victory. Covington Catholic caught the Bombers turning in their poorest performance of the season as the Colonels' fourth period bust out gave them a 57-48 win. St. Xavier basketball hit rock bottom when Elder's Panthers handed the Blue and White a 62-49 league loss.

The Bombers, returning to the hardwood for the first time since before Christmas, celebrated the holiday with a 61-52 win over the Finneytown Wildcats. The Hughes Big Red fell victim to the rapidly improving Xavier basketeers a week later as Dave Heskamp and Bob Behrens led the Bombers to a 57-46 victory. In what Coach Berning termed as our "best performance of the season," St. X upset heavily-favored Purcell, 60-52. Jim Geils hit 12 of 12 at the foul line to pace all scorers with 18 points. A 54-46 victory over Roger Bacon gave Coach Berning his one hundredth career victory. Two days later the Bombers, led by Sophomore Mike Eagen's 22 markers, pushed the season record above the .500 mark for the only time during the campaign as they edged St. Henry, one of Kentucky's stronger quintets, 64-57.

Hit hard by injuries during the final portion of the season, St. Xavier closed the regular schedule losing six of the final seven games. Only one of these defeats, however, saw the Bombers lose by more than ten points. After a poor first half, St. X closed the gap to four, and then faded to lose, 70-61, to the McNicholas Rockets. Dave Heskamp's 25 points marked his most impressive performance of the season. Newport Catholic spurted late in the game to win 59-51, but a 57-55 come-from-behind win over Elder in Price Hill evened the season mark at 7-7 and gave the Bombers its first foreign court victory. Four straight defeats (to Purcell, Roger Bacon, Greenhills, and McNicholas) closed out the regular reason with a 7-11 mark for the youthful Bombers.

St. Xavier, annually one of Cincinnati's top tourney teams, clobbered Bethel-Tate, 76-41, in the opening District Tournament contest. Every Bomber scored as St. X employed the services of five newcomers, three sophomores and two freshmen, in an effort to beef up the injury-ridden squad. A loss to McNicholas, the third of the season, brought down the curtain on St. Xavier High's first losing season since 1951 as the Bombers posted an 8-12 mark.

VARSITY SWIMMING

The St. Xavier swimming team under the careful guidance of Mr. William Behrens finished the season with a 6-1 record, highly indicative of their ability. Midway through the season the mermen journeyed to Princeton High School and copped their third straight Princeton Invitational Trophy. As the season came to a close the Aqua-Bombers placed third in the District Finals, just half of a point out of second-place. In the 200 yard medley relay, the team consisting of Lance Altenau, John Boyce, Vince Jolivette, and Bob Wedemeyer sheared .6 second off the old record with a time of 1.52. Lance Altenau also set a new record in the 100 yard butterfly, swimming it in just 58 seconds flat. The Aqua-Bombers also placed first, second, and third in the 100 yard breast stroke with Joe Grever leading the way, followed by Don Umhofer, and Bob Wedemeyer respectively. At the State Finals St. Xavier was represented by Lance Altenau, John Boyce, Joe Grever, Vince Jolivette, Don Umhofer, Bob Wedemeyer, and Tom McCarty. In those State Finals, Joe Grever placed second in the breast stroke and Lance Altenau came in fourth in the butterfly.

THIS WAS

SEPTEMBER

The school year began on a brisk fifth day of September when 1200 students made their appearance at Xavier. They were hardly in their seats when tickets went on sale for the G.C.L. Preview held at Roger Bacon. As usual the Bombers made a good showing and proved they would be tough competition. On the fifteenth, the year was officially begun as Fr. Humbert celebrated a solemn high Mass in the lounge. Afterwards came the first holiday of the year. The next night X met Central and brought home a 12-0 victory. On the twenty-second, as the first juniors left for Milford, the Bombers sallied forth again, this time to meet Withrow, and lost 20-14. After the game the players and their rooters returned to Xavier for the first Sock Hop held at school. September ended with the Bombers overwhelming Western Hills, 41-0.

OCTOBER

As October began, the Bombers beat Oak Hills 36-6. Columbus Day meant a holiday for the student body, and the Bombers celebrated by crushing Holmes 27-7. In the middle of the month the Sodality sponsored its first Day of Recollection. Freshmen Night gave our four hundred-some Frosh the chance to meet fellow-members of the class of 1965. Xavier met its arch rival, McNicholas, and took its second loss, 34-14. Towards the end of October, when winter winds began to whip around the campus, the day of reckoning came to Xavier men: quarterly examinations. For three rugged days they faced a barrage of tests, and the weekend was saved only by a jumpin' Record Hop emceed by Bob Braun. The last Sunday in the month saw Roger Bacon smother Xavier, 28-6.

NOVEMBER

November walked in and the students walked out. It was All Saints Day and a holiday. Later in that first week, Xavier met Elder and went down to its fourth loss, 6-0. The Bombers' game with Purcell, which closed the season, also shut the door to the championship. It was a crushing 26-0 defeat. Oh well, thought everyone after the initial disappointment, there's always basketball. There was also the Ohio General Scholarship Test, available to interested seniors. The month came to a premature end on the twenty-second when the Thanksgiving holidays began; and, before classes resumed on the twenty-seventh, the Thanksgiving Dance was held in the lounge. It was the first semi-formal of the year.

DECEMBER

Halfway through the year, Winter was already beating at our door, snowing-in our parking lot, and giving us a few unscheduled holidays. The basketballers journeyed to Cincinnati Gardens for the Inter-League Preview. At school Mr. Brezine and some ambitious seniors were planning something new in the way of school spirit contests—the December Drive. This extra-special event was introduced at a bonfire rally held in the parking lot. Those who came to watch the burning of the effigies were treated to a Sock Hop in the Lounge. Selected students participated in the Interscholastic Latin Contest held on the fourth. For seniors, December meant that college was only eight months away; time to apply for the S.A.T. Deans of Admission came to speak to the seniors and aid them in their choices. On the eighth of the month, a holiday declared in honor of the Immaculate Conception, Xavier lost to Central but came back the next night to down Woodward. The following weekend was a black one, as St. Xavier took two losses on the chin from Taft and Covington Catholic. Christmas vacation began on the twenty-second; the same night X met Elder. Our roundballers met defeat again and the hoped-for trophies seemed more distant than ever. During the holidays we had the Christmas Dance in the Lounge, a night when no one minded being at school. After the holidays Finneytown came to Xavier, where their "Fighting Five" lost in a close game. The Alumni sponsored its annual **Danse la Vie Guerre,** and December passed into a new year.

'61 - '62

JANUARY

When classes resumed in the new year everyone looked forward to starting fresh again. Gone were the worries of '61. Gone too, the stigma of five losses for the Bombers as they took a close game from Hughes, 57-46. Afterwards there was a Sock Hop. Our joy was shortlived, however, when the Province Tests came around. As usual the Jesuits had prepared real brain-twisters. Even a three-game winning streak in basketball (Purcell, Bacon, and St. Henry) could not dispel the gloom. In January the Dads' Club led a wagon train West. The gym resembled the smokey back room of Black Jack's Saloon; his dance hall was located in the cafeteria. January was the time for the all-important Freshmen and Sophomore retreats, held at school. The juniors and seniors, who had been making retreats throughout the year, enjoyed a week-long holiday. To finish the month, the Bombers crossed over into the dark and bloody land to meet the Newport Catholic Thoroughbreds, who outshot the Bombers to win the game. Despite the loss, the Bombers gave Mr. Berning a six-year record of 102-43.

FEBRUARY

The first of February reminded everyone that there were only four more months of school. Seniors buckled down on college applications. The Bombers took a hard-fought victory from Elder, 57-55. On the sixth, our new Rector, Fr. Vaughan, proclaimed a holiday to celebrate his accession. The Mothers' Club held its annual Card Party before a Sock Hop after the Purcell game. The Bombers took a 56-38 beating from the Cavaliers. The Debaters took second place in the Ohio Speech League tournament held at Xavier and qualified for the State Finals in Columbus. Meanwhile, on the hardwood, Xavier took two losses; one from Roger Bacon (58-48) and the other from Green Hills (48-41). Students enjoyed their last pre-Lenten holiday on Washington's Birthday. Fr. Linz proudly presided over the second and highly successful Alum-nite, a special get-together for X grads. The last Sock Hop until after Lent was held after the McNicholas game, which the Bombers dropped to the Rockets.

MARCH

This leonine month began with the Mardi Gras Dance, when the lounge was made to look like the French Quarter of New Orleans. But the Bombers were the Yankees as they pummeled Bethel-Tate in the District Tournament. March was the month for the National Merit Scholarship Tests. Half of 4AD had placed as semi-finalists in the 1961 edition of the exams, and we all had high hopes that the juniors might do just as well. Xavier took on a spiritual atmosphere as Lent approached. A statue of St. Xavier was established in the main entrance. The Oratorical Contest filled the gym with parents and students coming to hear Xavier's finest junior and senior speakers. Dennis Dinger was awarded first place. Quick on the heels of the Oratorical Contest was the Musicade, the school's annual band-glee club production. Midway through March, the student body was shocked and saddened to hear of the death of Bill Fuller of 1-K. The Basketball Banquet, held in the cafeteria, closed out the '62 roundball season. Tryouts began for spring sports. Xavier students had a holiday on the anniversary of the canonization of Saints Ignatius and Xavier. Quarterly examinations marked the end of the third quarter.

APRIL, MAY

April — and Spring is sprung. The school moved into summer order complete with outdoor intramurals. For the last time the student body gathered for First Friday devotions in the chapel. The Spring play, **The Doctor in Spite of Himself,** was performed by a capable cast in the South Hall at X.U. The Fathers'-Sons' Communion Breakfast, a popular innovation of last year, was held again. Students fought to pay attention in class during the balmy days until Easter vacation. Seniors went to the Roof Gardens for their last class function before graduation, the Prom. The juniors held their Prom at the Topper Club. Then came the last days, and all the students waited for the list of exemptions. The seniors walked up to the stage of the John Benson Gymnasium to receive their diplomas; the underclassmen advanced a year; a horde of eighth-graders made final preparations to enter X in September. And this was 1961-1962.
